

## The GEO Group Announces Funding Extension for Adelanto ICE Processing Center Contract

May 20, 2024 10:00 AM EDT

BOCA RATON, Fla.--(BUSINESS WIRE)--May 20, 2024-- **The GEO Group (NYSE: GEO)** ("GEO") announced today that U.S. Immigration and Customs Enforcement ("ICE") announced that it plans to issue a task order for the GEO-owned 1,940-bed Adelanto ICE Processing Center in California (the "Adelanto Center"), which provides for continued funding through September 30, 2024.

GEO previously filed motions, on January 4, 2024, with the U.S. District Court, Central District of California, in the case of *Roman v. Wolf*, to Intervene and to Vacate several injunction orders (collectively the "Orders") including an intake prohibition order issued more than three years ago, limiting the use of the Adelanto Center based on then-prevailing COVID-19 conditions. GEO was joined in its filings by three unions (collectively the "Unions") representing over 350 employees at the Adelanto Center. Subsequently, on April 22, 2024, GEO and the Unions filed a renewed motion with the U.S. Court of Appeals for the Ninth Circuit to intervene in the case of *Roman v. Wolf*, with a proposed motion to stay the Orders. GEO and the Unions will continue to pursue legal action to protect GEO's and the Unions' interests, which include the Adelanto Center contract's annualized revenues and the potential loss of jobs by 350-plus employees.

ICE and GEO entered into a 15-year contract on December 19, 2019, for the provision of secure residential housing and care at the Adelanto Center, consisting of a 5-year base period, ending on December 19, 2024, followed by two 5-year option periods. The Adelanto Center contract generates approximately \$85 million in annualized revenues for GEO.
