Explanatory Note

This current report on Form 8-K/A (the "Amendment") updates information provided on a Form 8-K filed on May 6, 2011 relating to disclosures made under Item 5.07, Submission of Matters to a Vote of Security Holders, associated with The GEO Group, Inc.'s (the "Company" or "GEO") Annual Meeting of Shareholders (the "Annual Meeting") held on May 4, 2011. The sole purpose of this Amendment is to disclose the Company's decision regarding how frequently it will conduct an advisory vote on compensation of the Company's named executive officers.

Item 5.07 Submission of Matters to a Vote of Security Holders

As previously reported, at the Annual Meeting, a non-binding, advisory vote was taken on the frequency of future advisory votes regarding the compensation of the Company's named executive officers. The preference of a majority of GEO's shareholders in the non-binding advisory vote was that the Company hold the non-binding advisory vote on executive compensation annually.

After consideration of these voting results and other factors, the Company has determined to hold future advisory votes on executive compensation on an annual basis. These annual non-binding advisory votes on executive compensation will continue until the Company considers the results of the next shareholder advisory vote regarding the frequency with which future advisory votes on executive compensation should be held or until the Board of Directors otherwise determines that a different frequency is in the best interests of the shareholders. The next required advisory vote on the frequency will occur no later than 2017.
